Student Loan Debt Consultation:

For a prepaid fee of \$125 I will provide a 30-minute consultation on student loan debt discharge. I am one of the few attorneys to actually take a student loan debt discharge case to trial in bankruptcy court and win a complete discharge. Scholars estimate that most of our country's 43 million student loan debtors are not in repayment. You may be entitled to a 'fresh start' under the Bankruptcy Code.

Personal:

Born in Oakland, California, and live on Alameda Island, California. Although I am a native of the San Francisco Bay Area, I have also practiced law in Seattle, Denver, Los Angeles (was living there during the riots and martial law of 1992), and New York City (was living there on September 11, 2001).

On two occasions I was standing next to people who were shot, one was shot dead. And, I have been shot at with machine guns during a robbery.

I am not afraid to take your case to trial.

I am also a widely published photographer.
